Rentable houses are again becoming hard to find.

J. D. Marques and wife have returned from the Peninsula.

Consult the want advertisements on next page today if you are seeking a house, rooms, board, etc.

The Young Men's Christian Association meeting at 4 o'clock Sunday afternoon will be addressed by W. B. Bancroft.

The ten men on the eligible list for letter carriers have received notice to meet General Erwin at the postoffice this morning.

Miss Rose Davison is again at her old post in the Board of Education office, resuming the duties interrupted by her visit to the Buffalo Exposition.

Walter Alvarez, the best scholar in the High School last year, in a class exceptionally bright, has gone to San Francisco to study in the Cooper Medical College.

T. F. Sedgwick, assistant in the experimental station department, who returned by the Sierra, is now at work with Jared Smith in the office in the basement of the capitol.

The Territory did not get very fat of the police court calendar yesterday. The only cases were Callahan, vagrancy, one month; Williams, drunkenness, \$2 and costs; Ho Koon, horse untied, \$5 and costs.

Capt. Harry Klemme, Company A, N. G. H., celebrated his thirty-fifth birthday yesterday. A fine Manila pearl scarf pin from his brother Carl was among the numerous remembrances of the happy event.

Pacheco's dandruff killer and prickly heat cure is meeting with great success throughout the Territory. For sale by all druggists, and at the Union barber shop. Give it a trial and be convinced of its merits.

The new postoffice at Hauula will shortly be opened, with Moses Adama as postmaster. Mail will be sent and forwarded from Laie at the present by special service, but later a regular route will be established.

During absence of the Attorney General, Deputy Attorney General Cathcart will be the responsible head of the office in all things that can be entrusted to a deputy under the law. The newspaper reports to the contrary are without foundation.

Acting Governor Cooper will today entertain at his Peninsula home a party made up of Delegate Wilcox and several of the federal officials at a luncheon, to be followed by a launch ride about the lochs. The party will inspect the proposed site for the naval station.

During the absence of Attorney General Dole the business of the department will be conducted by Mr. Cathcart, as Acting Attorney General. The story published by the Bulletin that the duties of the office are to be combined with those of Secretary Cooper, is an error.

Franklin Austin, president of the F. M. T. C. A., received a letter from Francis Murphy by the last steamer, stating that he proposed leaving Sydney on the 13th instant, to arrive here August 27. The Murphy Club boys are preparing to give him a great send-off, and it is hoped that all those who took the pledge when Mr. Murphy was here will join in the demonstration.

T. F. Sedgwick, of the experimental station, who returned from his vacation in the Sierra, had a sad experience because of the strike at San Francisco. He planned to ship his household goods to Honolulu on the same boat, and had his furniture packed on a van ready for shipment. The van was blockaded by strikers, and the furniture was not placed on board the steamer. He is anxiously awaiting word now from his family as to the ultimate disposition of the van.

Attorney J. L. Dunne replied to Mr. Lowrey's letter concerning the confinement of United States prisoners yesterday. Referring to the section of the statute quoted by Mr. Lowrey, Mr. Dunne writes: "I have the honor to point out that in any discussion of the law of commutation, this section is irrelevant. A moment's reflection will satisfy you that the scope of this section is limited to 'internal' discipline and treatment; the section has nothing whatever to do with commutation."

At Murphy Hall.

Rev. George Adams will give the address at Francis Murphy Hall this evening. It will be an instructive talk on the "Alaska Indian." The musical program will include a mandolin solo by Wallace, a duet by W. H. Bradley and Eugene Avery, a banjo solo by Herman Muth and other special features.

There will be a specially fine program for the sacred concert and President Franklin Austin will lecture on "Francis Murphy Temperance." He will outline the plans for the extension of the cause for the Territory of Hawaii and in other parts of the world.

To Buy
Plumbing Material

WITHOUT A PLUMBER to put up the articles in first-class style is of very small advantage to the average householder. The people of Honolulu have been "climbed" so often by plumbers that they are afraid to set one onto a job by day's work.

BAILEY'S PLUMBING SHOP will put your plumbing in condition and connect with the sewer for a very low figure. And guarantee the job will PASS INSPECTION by the GOVERNMENT officials. And also guarantee that day's work by honest men is cheaper than contract. Contracts are taken, however, and promptly filled by
